Subject: URGENT - Stock Depletion Warning for SKU001

Dear Procurement Team,

Based on current dispatch rates analyzed from your warehouse data and our delivery schedules, your SKU001 (Cooking Oil 5L) inventory will be fully depleted within 48 hours. We strongly recommend placing an emergency order of at least 8,000 units immediately to avoid stockout.

Our standard lead time is 24 hours for emergency orders if confirmed before 6:00 PM today. Transport conditions in Sindh remain affected by the ongoing strike, which may add 6-12 hours to delivery.

Please confirm at your earliest convenience.

Regards,

Ahmed Khan
